 LEDLENSER.

Core M24-198a

The Core mini torch surprises with its strong performance and ability to fit into any trouser or shirt pocket. Thanks to the Ledlenser patented³ Advanced Focus System, you can continuously focus the light at any time. Additional features include the functional clip and the fast-access end cap switch. The P3 Core can be operated with either an AAA alkaline battery (included in scope of delivery) or a NiMH rechargeable battery.

Core4 M24-198b

Brightness and longevity are very important with this pen lamp. The P4R Core shines for its compact size yet powerful with a light output of 200 lumen. Thanks to the robust and practical Magnetic Charge System that has a removable rechargeable battery with micro-USB interface for eco-friendly charging. It offers a slim, lightweight design with tailcap switch and pocket clip perfect for any toolbox. The Ledlenser patented Advanced Focus System provides precise light in spot or flood.

LedLenser M24-199a

The compact, rechargeable key ring lamp K6R delivers a strong brightness up to 400 Lumen at the push of a button, WAS it makes it significantly Heller and more intuitive than the torch function of many smartphones. The lamp is charged comfortably and wirelessly via the integrated, foldable USB-A interface and also has a battery and charging status display. In addition, the noble lamp made of brushed aluminum has a red light function as well as numerous other features, which make it a powerful accessory for the keychain or the backpack. The practical transport lock protects against unintentional activation. Length: 6.2 cm Light output: 400 lm (boost) for up to 80 m range (power mode: 200lm, 50m). Three luminosity stages and additional red light function. Permanently installed Li-Ion battery with 3.7 V and 550 mAh. Scope of delivery: Light including battery, snap hook (for attachment e.g. to a key ring). Weight with rechargeable battery 30 g. Head diameter 30 mm Housing diameter 30 mm Case material: Aluminium. Light functions: Low Power, Power, Boost. Colour temperature 5000 to 8000 K. Switch: End cap switch. Delivery: K6R, carabiner hooks. Protection class: IP2X.

Solitaire M24-199B

The original Maglite Solitaire flashlight is one of the last in Maglite's lineup to get an LED upgrade, and the new single-mode Solitaire LED flashlight has an output of 37 lumens and nearly two hours of runtime. With a weight of just 0.8 oz., the upgraded LED model is lightweight and has the same keychain-friendly size as the incandescent Solitaire. Its beam throw is 50 yards (46m). That's half a football field! Peak Beam Intensity: 539 candela Waterproof: IPX7 Length: 3.19" (81 mm) Diameter: 0.5" (12.7 mm)

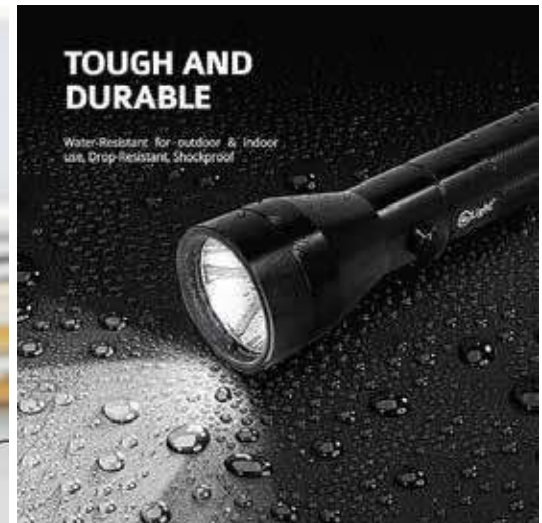

ZoomPower M24-200a

Heavy duty rechargeable flash light with zoom option. Built in 8000 mAh rechargeable battery, white laser light 30W with heavy metal body. Comes with nylon strap to carry easily. Size: 150*50cms

ReVoke M24-200b

LED flashlights are brighter and often lighter weight as they are made of Aircraft Aluminium Metal, and they won't burn out as quickly. When getting a new flashlight, it is best to keep in mind what you will be using it for. You might want to go for a larger model if storing in your car, and a few smaller models for around the house in case of a power outage. ReVoke as its name has 280 Lumens Brightness with a range of 1300mts. The rechargeable battery is 3SC - 3.6 V/2000 Mah that comes with 3SC - 4.5 V Adaptor. The heavy duty lamp is CREE XPE 3 Watts LED. Its charging time is 8hrs and run time is 260 min.

Twinkle M24-201a

Twinkle the super bright LED flashlight handheld mini lamp. Zoomable waterproof torch lamp for camping emergency daily Use. P50LED, 10W book reading LED lamp. Type C charging with 1500 mAh rechargeable battery.

JagMag M24-201b

Multi functional dual light source flashlight, ABS 1000 lumens, type-c fast charging, IPX4 waterproof grade having light source form LED+COB with battery capacity: 1200 mA, 5W power. Maximum range: 100-200 meters, charging duration: 1-2 hours, battery life: 3-5 hours. Color Available: black/grey/blue/silver

Sitara M24-201c

Xhp50+COB Powerful rechargeable zoomable torch lantern aluminium alloy LED flashlight. Tactical zoomable built-in waterproof torch lamp for camping, emergency and daily use. Comes with built in 600mAh rechargeable battery and a built in book reading LED light. Micro pin for charging.
