## Name It M24-226a

Use this angled sign holder to display designation, name or the options at the restaurant menus! Use either one side or both sides as necessary. Protect paper prints or pictures from the elements. Side loading makes it simple to switch out the media by allowing you to insert your graphic or literature through the frame's sides. You won't need to be concerned about breaking or damage because each angled table tent sign holder is made of incredibly strong acrylic. The practical slanted design makes it simple for customers to read messages or see your images. Size: 21x5 cm

## Plazo M24-226b
